ABOUT
SVGOI
SWAMI VIVEKANAND GROUP OF INSTITUTES

Swami Vivekanand Group of Institutions (SVGOI) was founded under the Shri Raghunath Rai Memorial Educational and Charitable Trust on September 29, 2003. The journey began with the establishment of Swami Vivekanand Institute of Engineering and Technology (SVIET) in 2004. Over the years, SVGOI expanded its horizons:

2005: Swami Vivekanand College of Pharmacy (SVCP) and Swami Vivekanand College of Education (SVCE) were established.
2010: Swami Vivekanand Polytechnic College (SVPC) joined the group.
2012: Swami Vivekanand Faculty of Information Technology & Business Management and Swami Vivekanand Industrial Training Centre (SVITC) were introduced.
2014: Swami Vivekanand College of Faculty Management & Technology came into existence.
2017: Swami Vivekanand College of Management & Technology (SVCMT) was established under MRSPTU.
2021: Swami Vivekanand College of Law became the latest addition to the group.

ABOUT
THE CONFERENCE

ICMRSF- 2026 will aim to integrate research, technology, and practical approaches across the fields of Engineering, Health, Environment, Management, and Society. The conference will bring together academicians, researchers, practicing engineers, consultants, planners, policy makers, economists, social scientists, managers, and leaders from around the globe who will share their knowledge, skills, experiences, and expertise. Contributions will be made through research papers, case studies, and keynote addresses on a wide range of topics, including but not limited to smart cities, biomedical waste management, sustainable energy, clinical trial practices, legal frameworks for emerging technologies, entrepreneurship, and innovation.

With a strong focus on reducing carbon emissions, enhancing resource efficiency, and driving innovation, ICMRSF-2026 will actively support the achievement of the United Nations Sustainable Development Goals (SDGs).

CALL FOR PAPERS

Refreshers, academicians and industry experts are invited to submit original articles within the scope of conference topics. Every paper will undergo a peer review process, with evaluations based on originality, technical proficiency, in-depth content, and conference relevance.
